

CORAL ISLES CHURCH'S WINTER FESTIVAL—SPONSORSHIP REQUEST

On February 1, 2025, Coral Isles Church will host our 13th Winter Festival.

Through the years, Coral Isles' **Barnabas Fund** has helped thousands of local community members who are going through a tough time with grocery and gas gift cards, water and electric bills, rent, medical and prescription expenses, and so much more.

Our campus also provides space for:

- **MARC House** (a not for profit agency that provides wrap around life services for adults in Monroe County who have developmental and intellectual disabilities)
- **Healthy Start** (which seeks to improve healthy outcomes before, during, and after pregnancies)
- **Florida Keys Outreach Coalition** (which serves those with housing issues, utility bills, medical care needs, and food insecurity)
- **12-Step groups.**
- **The Historical Preservation Society of the Upper Keys**

We have also hosted volunteer groups over the years offering a place to stay/meet for volunteers assisting in the Keys for situations such as aid after Hurricane Irma.

Please help us continue the good work we do in our local community by joining us as one of our valued sponsors for our Winter Festival. Showcase your business and show the local community that you care!

Please see attached sponsorship opportunities!
